

April 1, 2023

The Pelham Razorbacks organization supports over 200 children between the ages of 6 and 15 years old in learning the fundamentals of cheerleading and football. Our program provides an opportunity to play and cheer in a supervised, organized, fun-filled and safe environment. The organization also strives to firmly implant in the minds of our youth the ideals of good sportsmanship, scholarship and personal integrity to help them on the road to becoming valuable contributors to our society and our community.

The Razorbacks are a non-profit organization administered by a volunteer Board of Directors. We are a member of American Youth Football and Cheer (AYF), the nation's largest youth football and cheerleading organization, which is a national youth partner of the National Football League. Our registration fees have always been one of the lowest in the State of New Hampshire so that football and cheer is affordable to all who wish to participate. These fees would cover just a portion of our expenses it takes to run a program and we annually call upon our community and local businesses for continued and much appreciated support.

We are actively seeking sponsorship from our local business owners but understand this year has posed its challenges for you professionally and personally.

We understand that you may have already contributed to other community projects or organizations, but any support you can offer at this time will be greatly appreciated by the entire organization. If not a cash donation, other donations such as gift certificates for your products or services, or a donation of your products (which will be used to raise funds via raffles). Because the Razorbacks are a non-profit organization, any monetary donation you make is 100% tax-deductible.

Please submit your donation, made payable to the "**Pelham Razorbacks**" to:
